Expertise

Accounting services

Andria is an Assistant Manager in the Accounting Services department. She specialises in the provision of accounting and financial statements for companies, trusts and financial institutions in the BVI, Cayman, Cyprus and any other offshore jurisdiction that use International Financial Reporting Standards (IFRS). She has more than 10 years of extensive experience in the accounting and legal services industries. She is skilled in the accounting and financial reporting of financial securities trading, financing-investments holdings, crypto assets holding and trading entities.

Prior to join Harneys, Andria has worked for a leading law firm as well for one of the big four firms in Cyprus. She joined Harneys in early 2019 as a Client Accounting Specialist and she was the first member of team.

Andria has a degree in Public and Business Administration with major in Accounting from the University of Cyprus. She is also a member of the Association of Chartered and Certified Accountants since 2021.
