Expertise

Corporate services , Company formation , Accounting services , Director services , Liquidation services

Judy Chu is the director of Company Services in our Hong Kong office. She is a chartered secretary, chartered accountant and certified tax adviser. She provides corporate services to Hong Kong and offshore companies, including directorship, company formation, company administration, accounting, tax and liquidation.

Judy has over 30 years of experience in the financial industry providing corporate services to different types of clients such as investment funds, trust, SPVs, holding companies, trading companies and consulting companies. She was also involved in the accounting profession for over 20 years, which includes time at Deloitte and EY providing accounting and tax services to clients.

Prior to joining Harneys Fiduciary, Judy was the director of TFM Hong Kong where she was responsible for advising clients on all aspects of corporate services for over 10 years. Judy has expert knowledge in directorship and liquidation services and has acted as a director and secretary for both private and listed companies in Hong Kong.

Judy is fluent in English, Cantonese and Mandarin. She is passionate, open-minded and flexible in offering valuable solutions to clients.
