Expertise

Corporate services , Company formation , Private Wealth , Trusts services , Trustee and trust administration

Marisa joined in 2014 and is an associate lawyer in the Cyprus Fiduciary practise. She graduated from Coventry University and completed the Legal Practice Course at the University of Law, Bristol. Her main duties include on-boarding clients, incorporation and annual administration of Cyprus companies and provision of legal support with regards to corporate and trust law issues. She also oversees the preparation of corporate documents and review of agreements for the purposes of authorisation for execution by the board of directors of a Cyprus Company.
