Russell Drewe is an associate director in our Cayman Islands office. He has extensive experience managing client and investor relationships across a broad spectrum of alternative investment vehicles, from multibillion-dollar private equity funds to bespoke investment vehicles.

Russell focuses primarily on all investor service and RTA functions but also has broad experience in AML/CDD processes and AEOI reporting requirements. He provides streamlined and efficient solutions in all aspects of his role, maintaining excellent investor relations whilst providing concise, prompt guidance to clients.

Russell joined Harneys Fiduciary in 2021. Prior to this, he worked as a vice president at a leading Cayman Islands fiduciary provider in the Fund Administration team, maintaining a large portfolio of diverse clients. Before that, he worked for a leading international bank and fiduciary provider. Here, he was also in charge of preparing the first FATCA filings for the Cayman office, and in assisting to shape the global CRS offering.
